**Re:** Verbal Reprimand - Neglect of Duty

**CC:** Chief P. LeBreck, #801, Talsma File, Human Resources

On June 27, 2015 the Harper College Police Department was contacted by the Hoffman Estates Police department regarding three boxes of items that were labeled with Harper College Police Report numbers from the years 2009 and 2010. The boxes were recovered from a private residence which until recently, was owned by the Talsma Family.

Investigation revealed that these items had been recovered by the Harper College Police Department and the return of these items was not successful. According to the Record Management System, these items were disposed of by you.

HCPD General Order # 23.01 indicates that proper disposal of such items means donation to various non-profit organizations that can put to good use of items like cell phones and glasses. Items that are identification related are to be destroyed.

This letter serves as documentation of a verbal reprimand to you for **neglect of duty**, which is a violation of the Harper College Police Department Order, Rules and Regulations, 400.09 "Failure to perform or give suitable attention to one's duties as required by law, departmental rule or regulation, policy, procedure job description, directive or verbal order of a supervisor".
